Overview: Geni AI Global Hub is an advanced digital platform providing AI-powered content creation tools, including AI Image Generation, AI Video Creation, and Voice Cloning services for global users. Users purchase digital credits (AI Coins and App Currency) which are spent inside the app to create content.

2. How Our Service Works

- Users create an account on the Geni AI Global Hub platform.
- Users purchase digital app credits (AI Coins and App Currency) using real money via secure payment gateways.
- International users pay seamlessly through automated currency conversion; local transactions are shown in PKR.
- Credits are instantly added to the user's digital wallet after successful payment.
- Coins and Currency are spent inside the app to generate AI images, create videos, and use voice cloning.
- Daily Check-In Rewards and other in-app incentives give free currency to encourage regular engagement.

The platform features a clean dark theme with gold accents, wallet balance, Image AI / Video AI / Voice Clone AI modules, Wallet & Rewards, History, Profile, and Shop sections.

4. Refund & Support Policy

Because AI Coins and App Currency are digital assets that are credited instantly to the user’s wallet upon successful payment, **all transactions are final**.

Refunds are processed only in the following cases:

- Technical payment errors (amount deducted but credits not delivered)
- Duplicate charges for the same purchase

Support is available directly through the app and via the official email listed in the Company Information section. Please include transaction ID and screenshots for faster resolution.

5. Daily Check-In Rewards

A 7-day check-in system rewards users with free App Currency every day they open the app:

Day	Reward (Currency)
Day 1	20
Day 2	30
Day 3	35
Day 4	40
Day 5	45
Day 6	50
Day 7	80

6. Key App Features

- **Image AI** — Generate high-quality AI images from text prompts.
- **Video AI** — Create AI-powered video content.
- **Voice Clone AI** — Clone and use custom voices.
- **Wallet & Rewards** — View balances, claim daily rewards, manage credits.
- **History** — Review past generations and transactions.
